

WCRC Site Location and Directions

Enoree Landfill (flying field) address:
1311 Anderson Ridge Rd.
Greer SC, 29651

→Please use the White Circle entrance only. Please do not use the landfill entrance←

→On Sundays and Mondays ONLY, please lock the gate behind yourself on your way in. The landfill is closed these days and we want to prevent unauthorized dumping←

Club Member Directions via White Circle: Our access road is located on White Cir., which depending on the way you're coming from, is either the road immediately before, or immediately after the landfill entrance. There is a "Dead End" sign on White Cir., don't let it discourage you, it means you're in the right place! A couple of hundred feet down White Cir. on your right you will see the road that cuts through to the Landfill, take that and continue through our locked gate (the combination is on the back of your membership card) on back through the main part of the landfill. When the road forks, stay to your left, about 1/2 mile past the fork the road will terminate into our overflow parking area. From there you will easily be able to see the gravel road we have built to the runway. Follow that road to the small parking area by the storage container and you're there! Please drive only on improved roads (gravel) and do not drive over any part of the landfill, as that is grounds for termination of our lease with Greenville County. Last one out, please lock the gate behind you.
