From the Treasurer

"I have it on good authority (the owner) that the March meeting was our last meeting at the Epic Cureau restaurant. They will be moving to Greer in April. Any suggestions on a new meeting place would be appreciated."

Bob Jackson

Quotes of the Month

"If only God would give me some clear sign! Like making a large deposit in my name at a Swiss Bank."

- Woody Allen

"I have opinions of my own -- strong opinions -- but I don't always agree with them."

- George W. Bush

"Money doesn't make you happy. I now have \$50 million but I was just as happy when I had \$48 million."

- Arnold Schwarzenegger

"I'm not going to buy my kids an encyclopedia. Let them walk to school like I did."

- Yogi Berra

New Members

Two new members joined our club at the March club meeting: Jeff Dietrich and Chad Juby were voted in as new members. Welcome aboard, guys. See you at the April Fly-In.

Communications

- The website is now back up for viewing. The URL is the same as before except it is wrcskyhawks.net. Because of a failed attempt to save the club money by moving to a free web host we lost the “.com” name. We did move to another web host and the yearly cost is significantly less. The new site works exactly like the old one except for the .net part. An enhancement has been made to the club application in that a front and back page can be downloaded for printing. If anyone has any suggestions for improvement, I am open to them.

Tom Holmes

- The Spring Fly In is scheduled for April 28, 2018. You don't want to miss this one due to the uncertainty around the sale of our flying site. See you there!
