New Members

Three new members were admitted to the club at the July meeting: Ken Galloway, Pilot; Steven Bayne, Novice; and Alexander Preacher, Novice. Welcome to WCRC guys. Hope to see you at the field.

Communications

Be sure to monitor your emails this month. Bob Jackson will be sending out a status report about our efforts with the folks at the Enoree Landfill, as well as the arrangements we are making with other local clubs to allow our members to fly for the rest of 2018 once we are finally told to leave our field. We do not have a definite departure date yet but Bob thinks the end of September will be about it.

Update: Bob Jackson has informed me that the closing date on the property we fly on has been moved again. It is now September 14, 2018. This is the last optional extension so this time it will happen. Bob's thinking is that we will be able fly through the end of September.

This Month's Special

Ya know, I think some of us "RC guys" get just a bit bored from time to time and so we simply make stuff up that maybe will fly.

I looked this one up and, indeed, it did fly, uh, at least once ...
