New Members

One new member joined our club at the April club meeting: Sam Kelley, quad copter pilot. Welcome Sam!

Communications

- The status of the WCRC property is unchanged. The sale of our current site is still scheduled for mid to late June. We are working on a proposal to give to the Greenville County Council about using the Enoree landfill as the next home of WCRC. Also, John Dillewyn has written the ReWa people to try to determine if there is any possibility of using the Durbin Creek property for a site.
