## A Special Note

“Thank you for your concern and kindness during this difficult time. Our families appreciate the memorial gift WCRC made to Daybreak Church. Tom enjoyed his friends at WCRC and the many, many hours of flying with all of you!”

Thank you again.

Stephanie, Valerie and Matt Holmes

# New Members

No new members were admitted to the club in September.

# Communications

At the August meeting it was decided that since we have the field until mid-December, we will have one more fund-raiser Fly-In on Saturday October 13, 2018.

We will probably have a last social event at the field closer to the final exit date. That will be discussed at a future meeting. The officers are starting to make plans for the assets at the field - the carport, the small building, the fencing, the starter stands etc. I will be sending an update on the status of the assets as well as the status of Blue Ridge and our plans for 2019.

## Upcoming Events

I'm really sorry, guys, but the AMA just put up a new web site which, for me at least, is going to take a while to get used to. Nevertheless, these are the activities I was able to locate for South Carolina in October. Best I could do for now. If you want to get more information about any event you will need to visit the AMA web site at [www.modelaircraft.org](http://www.modelaircraft.org) and look up our state in the "Event Calendar" section.
